- Rapidly dissolves in water
- Made in the U.S.A
- Human-grade
- 3rd party tested
- 2 year shelf life

Ingredients

Protektin42™ - K9

Cyclodextrin (soluble fiber)
Outsmarts & neutralizes bad bacteria

L-Arginine (amino acid)
Prevents plaque buildup and bacteria odor

Sodium Bicarbonate (baking soda)
Strengthens and whitens teeth

Pyrodoxine (Vitimin B6)
Empowers beneficial bacteria

Dental disease starts silently below the gumline. Our product targets disease where it starts.

TEEF! is different from other dental care products. It empowers good bacteria + out-competes the bad bacteria for a naturally balanced, healthier mouth.

Our **TEEF!** powder formulation for pets is called *Protektin*, a patented combination of 4 naturally safe, bioactive ingredients: Soluble Fiber, Amino Acid, Vitamin and Sodium Bicarbonate.

How to use

1 x spoon

add to water

is absorbed when drinking

Tasteless & odorless

2 years shelf life

1 package = 30 applications
